

Terms & Conditions - Personal/Business Accounts

These terms and conditions, together with your continued use of North Carolina toll facilities, constitute an Agreement between the Account Holder and the North Carolina Turnpike Authority (hereinafter "NCTA") regarding use of the NC Quick Pass Toll Program (hereinafter collectively referred to as "NCQP") relating to the establishment of a NC Quick Pass Personal or Business Account. Subject to this Agreement, the Account Holder may use the NC Quick Pass Transponder on all North Carolina toll facilities and all participating agencies' toll facilities. By opening an Account and accepting these terms and conditions the Account Holder is entering into a binding agreement with NCQP. Please read these terms and conditions and retain a copy for your records. Failure to comply with any portion of this Agreement will result in additional charges, administrative fees, civil penalties, and/or suspension/termination of the Account.

2. General Information

- a) Submission of a request to establish an Account and agreement with these terms and conditions does not guarantee acceptance. NCQP may deny any request to open an Account at any time for any reason.

- b) The obligations or benefits of this Agreement are **NOT** assignable or transferable. Any change in ownership or management of an Account will render this Agreement null and void and a new Account **MUST** be opened. It is the responsibility of the Account Holder to inform NCQP of any change in ownership or management of an Account. Failure to do so will result in additional charges, administrative fees, civil penalties, and/or suspension/termination of the Account.
- c) It is the responsibility of the Account Holder to monitor and maintain the Account. This includes, but is not limited to, ensuring that all outstanding balances are paid, all vehicles are listed and have a NC Quick Pass properly installed, and any information given to NCQP is current and accurate. Failure to monitor and maintain the Account will result in additional charges, administrative fees, civil penalties, and/or suspension/termination of the account. The easiest and quickest way to maintain an Account is through the NC Quick Pass website at ncquickpass.com.
- d) All individuals who operate a vehicle listed on the Account must abide by all applicable traffic laws, regulations, signs and/or signals present on a North Carolina Toll Facility and must adhere to all directions given by NCTA/NCQP employees, agents, or assignees, and all law enforcement officers on all participating toll facilities.
- e) All vehicles listed on the Account must be officially registered with the Division of Motor Vehicles (hereinafter "DMV"). If it is discovered by NCQP, its employees, agents, or assignees that a vehicle listed on the Account is not registered by a DMV, that vehicle will be immediately removed from the Account, additional charges, administrative fees, and/or civil penalties will be levied against the Account, and suspension/termination of the Account may occur.
- f) By accepting these Terms and Conditions, the Account Holder acknowledges for all individuals who operate a vehicle listed on the Account that their persons and vehicle may be electronically video recorded and/or digitally photographed while traveling on a North Carolina toll road and all participating toll facilities. The sole purpose of said video recording and/or digital photography is to enable NCQP and other participating toll facilities to monitor the use of all NC Quick Pass Transponders assigned to the Account for the purpose of toll collection, traffic monitoring, and to detect violations of this Agreement.
- g) NCQP has entered into reciprocal agreements with participating agencies. If the Transponder(s) assigned to the Account is used at any participating toll facility, or other facility accepting electronic toll collection as a payment mechanism, the Account Holder agrees that all costs incurred in connection with the use of the Transponder(s) will be charged to the account as authorized during Account opening and that the Account Holder is responsible for all charges.
- h) NCQP reserves the right to change the terms and conditions of this Agreement at any time. If such a change occurs, NCQP will post a revised copy of the Terms and Conditions to the NC Quick Pass website at ncquickpass.com within 30 days. Regardless of any changes made, continued use of the Account and any North Carolina Toll Facilities constitutes acceptance of said change. If the Account Holder does not agree with any changes made, the sole and exclusive remedy is to terminate the Account.
