

Toll Dispute: Informal Review Request

Under North Carolina law, the registered owner of the motor vehicle is responsible for payment of tolls incurred unless the registered owner establishes that the motor vehicle was in the care, custody, and control of another person when it was driven on the toll facility. A patron of any North Carolina toll facility is entitled to dispute any toll transaction(s) incurred in North Carolina through the completion and submittal of this form to the NC Quick Pass Customer Service Center (CSC). For disputes regarding tolls incurred on out-of-state toll roads, you must contact that agency directly regarding their dispute process. Contact information for each agency can be found on our website at ncquickpass.com.

To avoid liability, additional fees and penalties, disputes must be submitted within 30 days of the date on the NC Quick Pass statement (STATEMENT) or toll invoice (INVOICE). After 30 days the customer waives their right to dispute any and all tolls listed on the STATEMENT or INVOICE. Tolls will be imposed where the registered owner fails to provide accurate and complete information.
